Sunday's Reflection

"Father, forgive them." Jesus died for us to do just that. But He tells us, to be forgiven, you must also forgive. He came into our humanness to transform it. He knows our weakness and wants to heal it. The command to forgive is more for our sake than for the person we are forgiving. It is a virtue that heals. It is our soul, our well being that is poisoned when we hold on to hurts and grievances. If our open hands are closed into fists in anger, they are also closed to receive God's graces. Jesus knows our humanness, and He works with us. Our first step is to have the desire to forgive, even if we can't yet do it. Walking through it with Jesus, He will give us the healing grace to open our fists and our hearts, to forgive.

Letter From Father Galante

Dear friends,

Now that we are in mid-September, it seems like life around our communities is back in full-swing. I hope that the summer months were restful and rejuvenating for everyone. Taking vacation and periods of rest is healthy and good, and it helps to remind us that we are human beings and not machines.

This Fall, we have a number of exciting things beginning or continuing in our parishes. Of course, you have all heard a lot already about the adult formation class, beginning this weekend: The Worship of the Bride Unveiled: History, Theology, and Rubrics of the Catholic Mass. As Catholics, the Mass is one of the most familiar and important pillars of our lives. And yet, there is so much about it that we have forgotten or have never learned. We will study in depth this most ancient and beautiful prayer given to us by the Lord himself to make re-present his saving work. By coming to a deeper knowledge of the Mass, hopefully we will arrive at a deeper love for it as well as a transformed Mass experience. If you haven't yet signed up, you are still welcome to show up and try it out.

Another important update is regarding our religious education programs for the young people of our parishes. Our hard-working Directors of Religious Education and priests have been praying about and working to improve our religious ed/faith formation programs over the past six months. The hard work is finally coming to fruition, and we are excited to see how the Lord is going to bring about a growth in faith for our young people. Ultimately, the Lord asks us to make disciples of all nations, and so we are trying to respond to the Lord's call as is necessary for our time and for our communities. Thank you to our DREs and very dedicated catechists for their extra work this summer to prepare for the year ahead.

Over the summer, we had our first summer cohort for the Order of Christian Initiation for Adults (OCIA). Fr. Miniatt, Maryclare Stephens, and I were blessed to guide a wonderful and large group of adults in learning the Catholic faith. They will be received into the full Communion of the Catholic Church in the weeks ahead. This is an incredibly hopeful sign for our local parishes that God is on the move. I encourage everyone to support our new Catholics and also to invite others from our own families, friends, and neighbors to consider becoming Catholic. Why would we want anyone to miss out on the gifts of the other sacraments (especially Reconciliation and the Holy Eucharist) that are only found in the Catholic Church?!

There are also a number of fun social events on the horizon for our parishes. I am looking forward to the 3rd Annual Trivia Night held at St. Andrew on September 26th. I hope that my team will win, or at least that we will beat Fr. Mark's team (some healthy rectory competition). We also hope for a wonderful and successful Harvest Fest for Sacred Heart, and the many other wonderful events that are to come!

Happy Autumn!
Fr. Galante

"What a day. Our Swing for Our School golf outing is one for the books! On Sunday, August 30th, 48 golfers hit the course at the Mayville Golf Course for a beautiful day of fun, fellowship, and support for our students. To every golfer, volunteer, and family who came out — thank you. To our incredible sponsors, we truly couldn't do it without you. When you support them, they're supporting our kids right back. A special thank-you to Father Miniatt and all three of our priests, and to everyone who started the day at 7:30 Mass and earned their Mercy Mulligan. From the bottom of our hearts — **thank you** for showing up for our school."
